

Stream Management Planning Workshop Agenda

October 8, 2018, 10am-3pm

Gondola Room, Westin Riverfront Resort - Avon, CO

9:45 AM – **Arrive** (Coffee and tea provided)

10:00 AM – **Welcome and Introductions**

10:15 AM – **Updates to CWCBC Funding and Evolution of SMPs** (Chris Sturm)

10:30 AM – **Assessment Methodology Scoping Strategies** (Seth Mason & Jen Shanahan)

11:15 AM – **Case Studies Illustrating Common SMP Challenges**

Representatives of different SMPs from across the state will highlight specific examples of challenges commonly faced during the planning process. These case studies will be framed to introduce discussions and collective problem-solving after lunch:

Case Study 1 – Involving Producers in SMP efforts (30 min):

Examples from the Upper Gunnison (Frank Kugel, Julie Nania, and Ashley Bembenek)

Examples from the Middle Colorado (Liz Chandler and Laurie Rink)

Case Study 2 – Designing an outcome-driven stakeholder process (30 min):

Examples from the Eagle (Holly Loff)

Examples from the Yampa (Nicole Seltzer)

Case Study 3 – Geographic Scales and Phasing (15 min):

Examples from the South Platte (Scott Schreiber)

12:30 PM-1:00 PM – **Break/Collect box lunches**

1:00 PM-1:45 PM –**World Café**

Rotate through facilitated discussions on the three common SMP challenges illustrated in the pre-lunch case studies:

- *Involving Producers in SMP efforts*
- *Designing an outcome-driven stakeholder process*
- *Geographic Scales and Phasing*

1:45 PM– **SMP Resource Library Preview**

2:15 PM – **Discussion: What else do SMP leads need to be effective?**

3:00 - **Adjourn**
