Impacts of the Pandemic on Stakeholder Processes

Opportunities and Challenges of Going On-Line

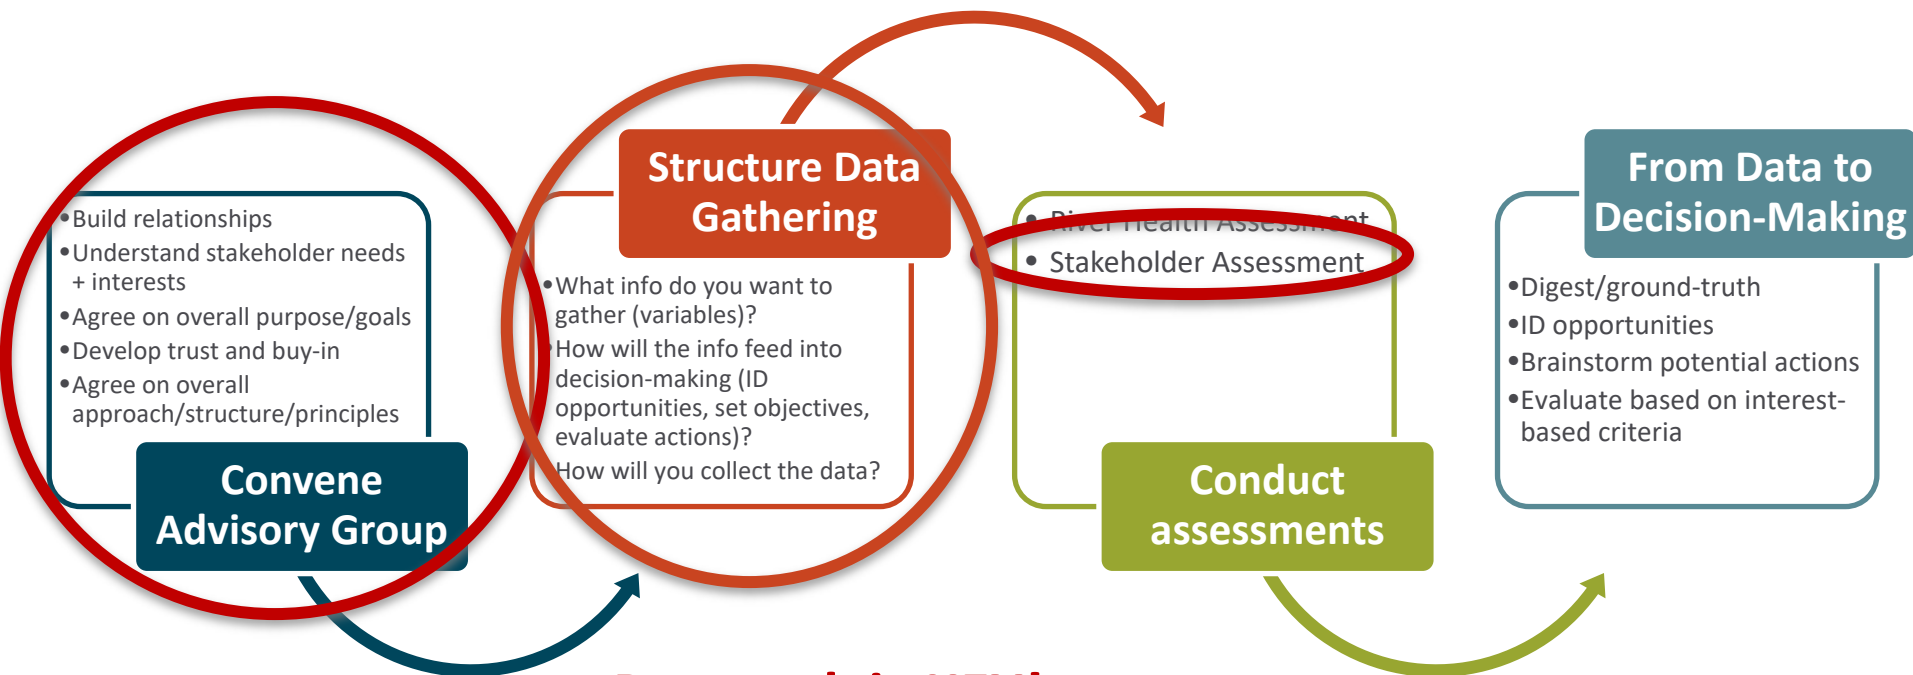

Opportunities/Upsides

- Often easier to attend
- Meeting efficiency
- Breakout groups
- Options for sharing materials
- Participation options

Challenges

- Trust/relationship building (e.g., pre/post meeting visiting)
- Equitable access
- Technology
- Creative/organic discussions

Stakeholder Engagement: SMP/IWMP Framework

Pre-work is KEY!

Clearly defining + communicating motivations, principles, and objectives with stakeholders.
