Today’s Agenda

• Welcome! – 5 min
• Introductions – 5 min
• Why Diversion Assessments – 15 min
  • Phil Brink, Colorado Cattleman’s Association Ag Water NetWORK
• The Yampa Approach – 20 min
  • Luke Gingerich, JUB Engineers
  • Nicole Seltzer, River Network
• The Mancos Approach – 20 min
  • Gretchan Rank, Mancos Conservation District
• Q&A – 15 min
• Highlights – 5 min
Anticipated Outcomes

- Participant's will advance their knowledge about conducting diversion assessments as part of the SMP/IWMP process and the benefits to practitioners and agricultural interests by:
  - Learning from peer experts, and;
  - Becoming familiar with different approaches other SMP leads have taken.
Coming Up

- Recordings, notes, and resources from all three workshops will be posted on ColoradoSMP.org next week!
Thank you!
