

# *SMP Peer-Learning Workshop*

# Peer Problem Solving Activity

- Groups of 3; 3 Rounds, Rotate Roles Each Round
- 1 Client, 2 Consultants
- 1 min: Client shares their Challenge, Consultants listen
- 2 min: Consultants ask Client clarifying questions
- Client turns around with their back facing consultants
- 5 min: Consultants generate ideas, suggestions, advice
- 2 min: Client turns around, shares what was most valuable
- Switch for next round

**What's Your Challenge?**

# Peer Problem Solving Debrief

- What challenges did we hear?
- How would you describe your experience?
- What can be learned from your experience?
- What will you do (differently or the same) as a result of your discussions?
- What additional/new questions do you have?
