

River Network Resource List

Prepared for Watershed Planning 101 Webinar

February 15, 2024

Resources mentioned during the webinar

1. [Stream Management Plan \(Watershed Planning\) Resource Library](#)
2. [Colorado Water Conservation Board \(CWCB\) Grants Landing Page](#)
3. [Wildfire Ready Action Plans](#) (where you can find a template Scope of Work)
4. [CWCB's Wildfire Ready Watersheds website](#)
5. [WaterSMART Cooperative Watershed Management grants](#) (Phase I grants do not require match and can be used for building a watershed group and doing watershed planning; Phase II grants can be used for project implementation and require match - many groups will opt to use these funds as match for CWCB grant programs)
6. [Altar Valley Conservation Alliance Watershed Plan](#) (Arizona)
7. [Example of a project concept that identifies project leads and other key information any partner can use for funding or initiating the project](#) (from Altar Valley Conservation Alliance's Watershed Plan)
8. Upper Gunnison River Water Conservancy District's [Watershed Management Plan](#)

Other River Network resources that may be of interest (not mentioned during the webinar)

9. [River Rally](#) - May 13-16, 2024 in Grand Rapids, MI
10. [River Network's Tapping Into Federal Funding](#) information resources page
11. [Water Program Portal by Atlas Public Policy](#) (centralized guidance on federal funding for water, open requests for proposals, and eligibility info on who can apply for which programs)
12. [Become a member with River Network](#) (it's free!)
13. Sign up for [River Voices](#), River Network's digital newsletter
14. Specific Resources and Guides

- a. [Building Blocks of Trust Between Community Organizations and Water Utilities](#)
 - b. [The Clean Water Act Owner's Manual](#)
 - c. [Essential Learning Series: Effective Organizations](#)
 - d. [Inclusive Communications Guide](#)
 - e. [State Policy Hub](#)
15. [Events and Learning Sessions](#) hosted by River Network
16. [Online Learning Platform](#)
- a. Clean Water Act Training
 - b. Drinking Water Guide Training
 - c. State Revolving Fund Training
